*Errata Notice: Prostate Cancer in Texas, 2002*

Dear Colleague,

Please note the following corrections in the *Prostate Cancer in Texas, 2002* publication.

- Page 4: African American prostate cancer incidence is 50% higher than non-Hispanic white males, rather than 40%.
- Page 16: Figure 10 should list Hispanic as the race/ethnic group for the middle bar.
- Page 18: Figure 18 utilizes data from 1995–1998, rather than 1995–1997.
- Page 19: Figure 19 utilizes data from 1995–1998, rather than 1995–1997.

We apologize for any inconvenience and hope that this report will serve as an important resource to you. Please do not hesitate to contact the Epidemiology Program at 1-800-252-8059 should you have any questions or require any additional data.

Sincerely,

Nancy S. Weiss, Ph.D.  
Director  
Texas Cancer Registry
